COOLING TECHNOLOGY INSTITUTE Legionellosis Guideline: Best Practices for Control of Legionella July 2008 CTI Guidelines WTB-148 (08)

WTB-148 July 2008 - cti.org

The American Society of Heating, Refrigerating and Air-Conditioning Engineers (doing business since 2012 as ASHRAE / æ ? r e? / ASH-ray) is a global professional association seeking to advance heating, ventilation, air conditioning and refrigeration (HVAC&R) systems design and construction.

ASHRAE - Wikipedia

ASHRAE 2015). ASHRAE 188, an ANSI standard, was a giant step for Legionella prevention in the United States in part because it represented agreement among government agencies and industry groups—not only about the need for Legionella prevention in building water systems—but also about the approach to it.
