In the earlier Dodge Charger's it shows #17 as blank but trust me it's not. I'm not sure if a 2010 is the same but I'd check it before going any further. If that's not the problem, it could also be the Instrument Cluster in the trunk, replacing it could help. Also, do you ever use the cigarette lighter socket? All it takes is a little spark to cause you a world of problems in the electrical ...
