"It's been fun, Pole Convention, but unfortunately it's time to go. Thank you Colleen and crew for making all of this happen. How you manifested this amazing gathering and managed to stay so calm and composed the whole way through, I don't know.

Home : Welcome to the International Pole Convention

3 The Pole Shift Stopped Rotation Piror to the shift, the Earth slows in its rotation, and actually stops. This is recorded in written history and spoken folklore, worldwide, as a long day or night.
