The 2nd Generation iPod nano looks reasonably similar to the original model, with one big difference: color. The 2nd gen. models were the first to come in colors other than black or white. If you've got a narrow, tall nano in a color other than black or white, chances are pretty high it's a 2nd gen. model. Once you know if that's the model you've got or not: Download the PDF

of the 2nd ...
