"One of the oddest facts about the New Testament is that what on any showing would appear to be the single most datable and climactic event of the period - the fall of Jerusalem in AD 70, and with it the collapse of institutional Judaism based on the temple - is never once mentioned as a past fact.

### **John A.T. Robinson (1919-1983) Study Archive**

An attempt was made to list as many of the notable, great or fine books written in the last century. Before 1900, works that still withstand the test of time as notable great or fine works were included. Many subject areas were included, but there
