learning to learn making pdf
A progressive, research-based approach for making learning visible Based on the Reggio Emilia approach to learning, Visible Learners highlights learning through interpreting objects and artifacts, group learning, and documentation to make students' learning evident to teachers.

Making Learning Visible - Home
Learning is the process of acquiring new, or modifying existing, knowledge, behaviors, skills, values, or preferences. The ability to learn is possessed by humans, animals, and some machines; there is also evidence for some kind of learning in some plants. Some learning is immediate, induced by a single event (e.g. being burned by a hot stove ...
