P S I Really Like

But today's investment climate is different. We are 9 years into a bull market for this revered index, and even that has only lifted the 20-year return to 4.5%.

The S&P 500's Long-Term Return Is Mediocre, Really

Just as each person's journey into addiction is unique, different approaches work for people trying to find their way out. For me, detoxing was nightmarish. And a long-held dream come true.

Hey, thanks for the advice Ty. You see, after writing 300 or so pages of original material, every now and then I like to steal a few bits from someone famous like George Carlin just to see if I can sneak it in under the radar despite the fact that it would be impossible to get away with since millions of people have seen his performance.
