Dental Readiness. Participating dentists, who treat active duty service members (ADSMs), are required to complete the ADDP Claim Form, as well as the Department of Defense Form 2813 (when necessary).

Dental Readiness - The Active Duty Dental Program

The treatment was started by increasing the VDO by adjustment of the occlusal plane of the mandibular teeth. A Chromascope Shade Guide (Ivoclar Vivadent) was used to select an appropriate shade, and then the worn mandibular right posterior teeth were prepared with supragingival shoulder margins for ceramic onlays.
